

1.5 million Euro reward given to a virologist presenting scientific evidence for the existence of a coronavirus - including SARS-CoV-2

The consequence of the promise of this bounty can not be understated, as when you look more closely at what virologists mean when they say / write that they have isolated a virus is anything but isolation - in the true sense of the word. And this also applies to variants of coronavirus / SARS-CoV-2, which the press and the authorities talk and write about.

So in reality, the emperors (aka the Pharisees and the scribes) are not wearing any clothes!

WE NOTICED...

All virologists, not just those pictured, have deceived themselves and the public when they claim the existence of disease-causing viruses such as SARS-CoV-2.

Virologists inadvertently kill cells in test tubes, believing that this is proof of the presence and isolation of a virus. Only from fragments of dying cells do virologists mentally construct a gene sequence and pass it off as fact. Therefore, the test procedures do not offer any significance or meaning. Typical structures of dying cells in the electron microscope are passed off as viruses. Such structures could never be detected or recognized in a human being so far!

OUR GOAL

These misguided developments have distanced medicine far from the reality and understanding of true health. We would like to contribute to a comprehensive understanding of disease and health for all people.

WE GUARANTEE:

1,5 million € for a virologist who presents scientific proof of the existence of a corona virus, including documented control experiments of all steps taken in the proof.

You're on!
